

## Third International IIFC Conference

# Composites in Civil Engineering

December 13-15, 2006  
Miami, Florida

<http://www.iifc-hq.org/cice2006>

Dear Member of the FRP Composite Industry:

The *Third International Conference on Composites in Civil Engineering (CICE2006)* is being held at the Hyatt Regency Miami at Miami Convention Center, December 13-15, 2006. The aim of CICE2006 is to provide an international forum for researchers and practitioners to exchange ideas about recent advances in Fiber Reinforced Polymer (FRP) composites and their applications in civil engineering. This is the official conference of the International Institute for FRP in Construction (IIFC), and is also endorsed by the American Society of Civil Engineers (ASCE), American Concrete Institute (ACI), Structural Engineering Institute (SEI), Canadian Society of Civil Engineers (CSCE) and the ISIS Canada Research Network.

About 200 researchers, academicians and construction industry professionals from all over the world have already expressed their interest to attend this conference. The CICE2006 will provide an excellent opportunity for your company to showcase and promote your products and services to the world renowned experts in this field. Your company can participate in the conference in four different ways:

1. By setting up a booth in the conference exhibition area;
2. By distributing brochures/flyers/product samples, which will be inserted in the conference bags;
3. By placing promotion advertisement in the conference proceedings or in the conference bags; or
4. By sponsoring a conference event such as the welcome reception, coffee sessions, luncheons or dinner banquet. Proper arrangements will be made during each event to identify the sponsor, display their message, and include a short presentation by the sponsor.

The itemized costs for each level of sponsorship are shown on the next page. If you need more details, please do not hesitate to contact us. We are looking forward to your active support to make CICE2006 a very successful event.

With Warmest Regards,

Amir Mirmiran  
Co-Chairman of the CICE 2006 Conference  
Florida International University

Antonio Nanni  
Co-Chairman of the CICE 2006 Conference  
University of Miami  
University of Naples Federico II

## Sponsorship Costs

Sponsorship Level	Cost
1. Brochures/Flyers/Product Sample(s) in the conference bag	\$500
2. Advertisement in proceedings (½ page)	\$500
3. Advertisement in proceedings (full page)	\$750
4. Advertisement in proceedings (inside back cover)	\$1,000
5. Advertisement in proceedings (outside back cover)	\$1,500
6. Company logo and short message on the conference bags	\$1,500
7. Booth/Table plus one free registration	\$1,500
8. Coffee break sponsorship with one free registration	\$1,000
9. Luncheon sponsorship with one free registration	\$3,500
10. Welcome reception sponsorship with one free registration	\$4,000
11. Dinner banquet sponsorship with one free registration	\$6,000
